

DURALINER TRAIL DEFENDER

RIDE WITH CONFIDENCE

ENGINEERED FOR ADVENTURE, BUILT FOR ANY TERRAIN

DURALINER TRAIL DEFENDER

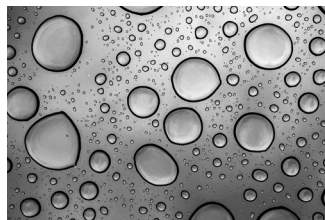

DuraLiner Trail Defender offers protection for your vehicle, defending against dents, scratches, and debris from both on and off-road conditions. The tough, impact-resistant panels are engineered with precision to ensure your vehicle remains in pristine condition regardless of the terrain.

- Armor Lock® attachment system allows panels to be quickly installed, locked in place and removed without tools or permanent alterations to the vehicle
- Precision molded UV stabilized 2mm ABS panels are engineered to protect your vehicle against dents and scratches
- Built to withstand on and off-road conditions and stay secure at speeds of up to 75 mph
- Able to withstand temperatures from -22°F to 104°F
- Heavy duty bag is included for storage when the panels are not in use
- Designed for Bronco 2021+ models: Big Bend®, Black Diamond®, Outer Banks®, Heritage and Heritage Limited Edition, Badlands®, Everglades®, Wildtrak®, and Raptor®

**DURABLE**

Designed to withstand harsh conditions, the body armor panels safeguard against common on and off-road hazards.

**WEATHER RESISTANT**

Engineered for extreme temperatures, UV exposure, and moisture, ensuring long-lasting protection and performance.

**RELIABLE**

Built with advanced materials and rigorous testing to ensure consistent performance under extreme conditions.

**EASY INSTALLATION**

Self-installation with no drilling required. Armor Lock® and heavy-duty removable tape make application quick and simple.
